The form below is an instruction to your Bank or Building Society to pay Direct Debits. Once set up, and after the initial payment has been received, monthly payments will start and be taken from your account for the remainder of the HireBuy period. The first payment must be made by debit card or bank transfer, from the same account future Direct Debit payments will be taken. When the final payment is received, the tools and equipment are yours. The length of the period will depend on the value of the item(s). Please ensure the form sent back to us has your original signature on it, not a photocopy.
